Consultations by Appointment Only

MISSED APPOINTMENTS

Unfortunately a large number of patients fail to attend for their appointment. This may mean that other patients are not able to see the doctor or nurse on the day that they wish to.

In an attempt to try and resolve this the practice has developed the following policy:

If you fail to attend for 2 consecutive appointments without informing us we will write to you asking if there are any specific problems preventing you from letting us know.

If you fail to attend for a 3rd appointment you may be removed from the practice list and have to find an alternative GP practice.
