

WELCOME TO COVE BAY & KINCORTH MEDICAL CENTRE

In order to get you registered with us as quickly and efficiently as possible please read the following information.

Please complete all sections of the registration form for each family member registering at Cove or Kincorth.

NB – please ensure a current contact phone number is included.

In addition to the above information we will also require to see a passport/photographic ID for each member of the family registering and proof of address for everyone over the age of 16.

For patients from overseas – in addition, we will require to see any relevant visa. This is to ensure you are entitled to Health Care in the UK. Patients who do not qualify for Health Care under the NHS can still be seen at Cove and Kincorth surgery but fees will be applied for each consultation and prescription issued.

Once completed please return the form to the surgery with proof of your address – a utility bill or similar.

Once we have confirmed your details we will process your registration form. For those aged over 16, you will be contacted by a member of staff within 3 to 5 working days to offer you a new patient appointment with a Health Care Assistant. This is a 10 minute appointment to go over your medical history, medication etc. Please also bring a sample of urine in a clean container to the appointment.

If you have any questions regarding your registration, please contact the surgery on 0345 337 1170.

We thank you for registering with Cove Bay & Kincorth Medical Centre

Consultations by Appointment Only

Dear Patient,

The Practice is rolling out a system where patients can be sent a text reminder about their appointment a day before the actual appointment. This is a gentle reminder about your appointment and gives you an opportunity to phone and cancel the appointment if it is no longer required. This system aims to help reduce our fail to attend rates and hence increase the availability of appointments for our patients.

A text message will be sent to the mobile number you have provided to the Practice. No confidential information or patient identifiable information will be sent in the text message.

Please sign the consent form below if you wish us to send you a text message to remind you of your forthcoming appointments.

Thank you
The Partners of Cove Bay & Kincorth Medical Centre

I confirm that I have read and understand the information above and give the Practice permission to text me reminders about my forthcoming appointments I have booked at the Practice.

I understand that it is my responsibility to inform the Practice if my mobile number changes to allow the Practice to update their records.

I understand that I can opt out of this at any time by contacting the Practice.

VISION ONLINE SERVICES - FOR THE ORDERING OF PRESCRIPTIONS

Vision Online Services (VOS) is a web-based application which has been developed to expand services available to patients from your GP Practice. VOS allows the patient to request services from their GP Practice online at a time that is convenient to them.

If you would like to register please fill out the attached Vision Online Patient Registration Form and return it to the practice **in person, along with a valid form of identification, for example your passport or photographic ID.**

Once you are registered for VOS, the practice will give you the information that will enable you to create a username and password. Patients between the ages of 12-16 have the option to allow their parents / guardians to order their repeat prescriptions for them using their parents / guardians email address. Everyone over the age of 16 should use their own email address for this service.

When you access the module a list of your repeat prescription requests will appear on the screen.

Simply select the item you require and submit your request. A message will be displayed indicating whether your request has been successful or not. Please note the messages will only be seen and dealt with by the administration staff.

IT IS IMPORTANT THAT YOU ALLOW A MINIMUM OF 2 WORKING DAYS BEFORE COLLECTING YOUR PRESCRIPTION FROM THE PRACTICE. IF YOU HAVE STATED THAT YOUR PRESCRIPTION IS TO GO TO A PHARMACY PLEASE ALLOW MORE TIME BEFORE COLLECTING YOUR MEDICATION.

If you wish to withdraw from using VOS, please contact a member of the reception team.
