## **Update from Cove Bay & Kincorth Medical Centres – August 2021**

### **Changes at the Practice**

We are delighted to advise that Dr Laura Batalla will be returning to the practice in mid August, working two days a week.

After nearly 32 years at the practice, Morag Mackie our Cove Secretary has retired. We would like to wish Morag a long, happy and healthy retirement!

### **Covid 19 – at the Practice**

The practice continues to remain open despite us having a controlled door entry system.

If our clinical staff feel that they need to see a patient face to face they will be given a time to attend the practice. To protect our patients and staff, please do not come to the practice if you have any symptoms that could be linked to Covid.

While inside the practice you will be asked to wear one of the NHS approved face masks.

### **Covid Vaccine Passport**

If you require a Covid Vaccine Passport please go to <https://vacs.nhs.scot/csp>

If you don't know your username or have forgotten it click on the forgotten username part and it will be reset for you. You can also request a paper copy too.

### **Are you an unpaid Carer?**

Are you an unpaid care and looking for help? NHS have lots of information and resources readily available.

When you're caring for someone, it can feel like there's no time for you. But your health and wellbeing are just as important as anyone else's. Support is available for you. After all, you can only look after someone else if you look after yourself too.
