## **Update from Cove Bay & Kincorth Medical Centres – May 2023**

### **Dr Mackenzie - NEPAL TREK**

On Wednesday 3rd of May, Dr Mackenzie along with a group of 9 other ladies, successfully reached the summit of the Mardi Himal Trek in Nepal, at 4500m (three times the height of Ben Nevis). They have raised over £25,000 for Maggie's, the cancer support charity who were so important to a number of the group while they were facing their own cancer journeys. Dr Mackenzie would like to thank everyone who offered support, sponsored the team and for everyone's good wishes.

### **Practice Manager**

On the 27<sup>th</sup> April, we celebrated our lovely Practice Manager Susan having worked at the practice for 25 years. Susan started with us as a receptionist when her children were little and over the years progressed to Practice Manager. Thank you for all that you do!

### **Face Mask/Coverings**

From Tuesday 16<sup>th</sup> May 2023, the wearing of facemasks will no longer be required in the practice.
