Update from Cove Bay & Kincorth Medical Centres – November 2023

NHS Pharmacy First Plus Service

Both Cove Bay Pharmacy and Gardner Drive Pharmacy provide a Pharmacist Independent Prescriber-led service for patients presenting to the pharmacy with a common clinical condition. The service includes the assessment and treatment of acute common clinical conditions which are within the IP providing the service's competence.

Conditions may include (but are not limited to):

- Urinary tract infections
- Respiratory infections
- Ear, nose and throat
- Dermatological presentations
- Allergies
- Eye infections (in conjunction with local optometry services)

Aberdeen City CTAC Community Treatment and Care Clinics

Patients will benefit from having access to expertly trained nursing staff at the CTAC Clinics for assessment and treatment, in addition to your GP Practice. This will offer you more options of locations to meet your healthcare needs, across the City.

Your GP Practice will be kept up to date on your management, and involved in your care, should it be necessary.

It is a new way of receiving care - one which helps us ensure people are able to see the right person at the right place at the right time, and one which we are sure the community will come to value.

This nurse-led service provides:

- Blood Pressure
- Blood Tests
- Ear Care
- Removal of sutures/staples
- Wound Care
- ECG

Appointment booking line 01224 550200

Festive Opening Times at the Practice

The Christmas and New Year period is once again getting closer. The practice will close at 6pm on Friday 22nd December and reopen at 8am on Wednesday 27th December 2023. We will then close again at 6pm on Friday 29th December and reopen at 8am on Wednesday 3rd January 2024.
